NUMBER 48.

Grand Jury Hot After Marble Machines

THE STATE OF TEXAS
COUNTY OF JONES

In the District Court of Jones County, Texas, Sept. Term, A. D. 1935

To the HON. W. R. CHAPMAN,
Judge of Said Court:—

We, your Grand Jury for the September term of the District Court of Jones County, Texas, A. D. 1935, beg leave to respectfully submit the following report of our work:

We have interrogated a total of 186 witnesses.

We have returned 36 bills of indictments.

We have returned 7 no bills.

We have left open for future Grand Jury investigation 3 cases.

In the investigation of all cases coming before your Grand Jury, this Body has sought to get at the facts and to make a thorough investigation of all cases submitted.

We are glad to report that in the main the citizenship of Jones County respects and obeys the laws. A large number of the indictments returned were against transient persons, and in many cases more than one indictment was returned against a single individual.

One criticism your Grand Jury would make of the attitude of the average citizen toward giving testimony before the Grand Jury is that a good law-abiding citizen should not take the position that he is not in duty bound to give testimony before the Grand Jury. He should not feel that he is welching on someone. On the contrary, he should feel that he is helping the law-enforcing agencies of the county and state make his own home safe, and his own person and property more secure from the criminal who has no respect for the legal rights to law-abiding citizens.

Your Grand Jury has found from a county-wide check-up that Marble machines with pay off in actual cash are being operated all over the county. In many instances, so-called respectable citizens and business houses are operating these cash pay-off marble machines. It is the recommendation of Your Grand Jury that the Peace officers and prosecuting official of the county, after a reasonable time from this date, take any and every legal step to put these gaming devices out of business—whether they be so-called games of skill or out and out mechanical slot machines. The reason for your Grand Jury making this recommendation is that the operation of such gambling devices has a subtle and far-reaching effect on the attitude of our people, particularly our young people, toward respect for law and order.

Your Grand Jury feels that the times we are now passing through and the condition in which many of our citizens find themselves call for a strict enforcement of the law and the maintenance of a wholesome respect for established moral and social standards as well as legal statutes.

Your Grand Jury made an examination of the County Jail and the premises of the Jail, and report that

both the jail and the premises are in excellent condition. In fact, the jail yard has been changed from an unsightly place to a thing of beauty.

Your Grand Jury has had the loyal co-operation of the peace officers of the County, including the city and precinct officers of the County. We also desire to commend the work of the bailiffs who served under great difficulty during the first week of our deliberation when rain and mud made it almost impossible to get over the dirt roads of the County.

This is the final report of Your Grand Jury and we desire at this time to be finally adjourned for the term.

We request that the part of our report dealing with the marble machines menace in the County be given to the local and other County papers for publication.

Respectfully submitted,
September Term A. D. 1935

GRAND JURY, Jones Co. Texas,
104th Judicial District.

By M. E. HUDSON,
Foreman of the Grand Jury.

PARENT-TEACHERS

WILL MEET

The Hamlin Parent-Teacher Association will have their first meeting of the year next Thursday evening, October 3, at 7:45 at the High School building.

The main object of this meeting is to acquaint parents with their children's teachers. A short program will be given in the auditorium. Then there will be a general get-together in a vacant room where each person will share in entertaining the crowd in a very sociable way. After everybody has met everybody else, refreshments will be served.

In this manner the P.-T. A. hopes to create an atmosphere of harmony between the teacher and pupil by understanding the parent.

Every parent is cordially invited to be present and especially parents of our new pupils from the rural communities whose children come to school on the busses. Remember that "parent" means father as well as mother and we are most anxious that all fathers come. If you have never been to a P.-T. A. meeting now is your opportunity.

The entertainment committee feels that they have learned what fathers like most at P.-T. A. meetings and they are keeping those things in mind when planning this program. Come! You will enjoy the evening's entertainment and pleasant get-together.

Remember, Thursday, October 3 at 7:45 P. M.

LOST AND STRAYED

Somewhere between Hamlin and Hitson a red end gate to a two-wheel trailer was lost Sunday. Also have a light Jersey, muley cow strayed or stolen from my place. Will pay a suitable reward for the recovery of the above. Notify

R. L. GOODGAME,
or the Herald office (p)

—The Herald 1 Year for \$1.00.

PIED PIPERS STARTED VICTORS

The Pied Pipers opened their foot ball season last Friday with a victory over the Sweetwater B team by a score of 26 to 0. J. E. McCoy passed to Harrold Johnson for one touchdown and to Doc Neal for another. George Ewing made another in an eleven yard run around end. Warren Agnew made the other touchdown by running twenty yards with the ball after D. W. Carlton had blocked a punt.

The play of the Hamlin team was ragged at times but the passing and running showed promise when it is considered they had worked but two weeks.

Next Friday the Pipers play Rochester at Hamlin. Rochester is undefeated. In their first game of the season they beat Anson 6 to 0. This game is a conference game and the Pipers are working hard to open the Conference season with a victory.

TREES AND FLOWERS ON CENT. GROUDS

DALLAS, Texas, Sept. 24.—More than one hundred varieties of native Texas trees will be planted in October to form the background of the \$200,000 landscaping plan of the Texas Centennial Exposition.

Sections of the Exposition grounds will be devoted to flora typical of the various parts of the state. A pine grove will shade masses of wild flowers representative of East Texas. The cactus, in its numerous varieties, will typify the West. Palms and oleanders will recall the Gulf Coast and its sandy beaches while the Rio Grande section will be brilliant with the tropical colors of hibiscus and bougainvillea.

The crepe myrtle will be planted by the thousands throughout the grounds and its brilliant pink and red will dominate the color scheme. It blooms from June, when the Exposition opens, until Autumn.

The blue bonnet, state flower of Texas, will have blossomed and gone to seed before the Exposition starts. Its place will be taken by the rose and thousands, including the newly developed Texas Centennial Rose, will be planted.

Mrs. E. F. Russell of Wylie, Texas, came Sunday afternoon to spend several weeks here with her son, Ray D. Russell and family.

N. W. McIntosh of Des Moines and W. C. Shemann and wife of Saint Paul, Minn., came last Friday to visit Mr. and Mrs. Tate May and Mrs. Delia McIntosh. These people were on a tour of the southwest and that meant taking in the great Carlsbad Caverns. This they did Monday and came back through Hamlin Tuesday.

W. W. Williams of Lipan, Texas, is with the Reynolds Drugs these days as a clerk.

Mr. and Mrs. F. N. Hassen have returned to Ranger to make their home. They have been gone several weeks.

DIED

William Pedigo, age 66 years, of Dublin, died at the home of his brother, M. T. Pedigo on Park Street in Hamlin, at 12:50 P. M. Tuesday. The body was taken to the family cemetery at Dublin for burial. Barrow Undertakers had charge of the body.

The deceased was here on a visit and his health became worse. M. T. Pedigo is an operator for the Santa Fe railroad.

CARD OF THANKS

We take this means of expressing our deepest thanks and appreciation to the people of Hamlin and to the doctors and nurse for their thoughtfulness and kindness shown our brother, E. W. Pedigo, during his illness and for your sympathy at the time of death.

Sincerely,
Mr. and Mrs. M. T. Pedigo
and Son.

TRYING TO BEAUTIFY FARMS ON HIWAYS

A campaign in the interest of the Centennial Farm and Home Demonstration Contest in Jones County was begun Monday, according to County Agents Jewel Faulkner and R. H. Maxwell.

On the first day 18 farm homes were contacted in the area covered by the highways from Anson to Hamlin; Hamlin to Stamford and Stamford back to Anson and all were interested in enrolling.

The remaining highways in Jones County will be contacted by September 25th and all parties interested in entering this contest for the improving and beautifying their rural homes will be assisted according to the regulations of the contest.

Details of this program of beautification was explained to the Hamlin Lions Club at their luncheon, Tuesday September 17th, by County Agent R. H. Maxwell. The club gave a vote of approval and support of the program.

Any rural home or ranch eligible to take part in this contest are advised to get in touch with the County Agents' office for further information.

R. H. MAXWELL,
County Agent.

GINNING OF COTTON

FOR HOME USE

Forms will be in the County Agent's office in a week or so, whereby a cotton producer may make application for not more than one hundred and ten pounds of lint cotton ginned for home use.

Producers who desire to avail themselves of this exemption should hold back from the gin the seed cotton in quantity necessary to produce the lint which they desire to use in their household, and secure one of these application forms before taking such cotton to the gin. Under no instances can any part of it or any article manufactured from it be sold or exchanged for anything of value.

TOM LEE EASLEY,
Assistant in Cotton Adj.,
Anson, Texas.

THE SOPHOMORES STRIKE

The Sophomore class members closed the first exciting class meeting Wednesday, that has been held this year. During this meeting Miss Constance Teague was elected as Class President, Thomas Carter, V. President; Robert Fowler, Secretary.

These officers, under the capable direction of our leader and sponsor, Mr. Thomas Cox, will help to promote and put into effect the program that will put the year over in a "big way." Now that the trying school opening is over, we find we are rolling toward one of the most exciting and most successful years that any of us will ever know. This will be possible only with the complete cooperation of the class as a whole and those about us.

Our class will be represented by our queen, Miss Faye Dunham, and her escort, Warren Greenway. It is all very interesting, don't you think?
SOPHOMORE REPORTER.

Mrs. C. E. La Baume and children attended a family reunion of her relatives at Lake Cisco Sunday.

The great thing about life is the going-out of friendliness from being to being.—John Galsworthy.

HERE IS A BARGAIN

A house and two lots in Hamlin for sale, \$200.00 cash plus the taxes due. The two lots and water are worth that. I am giving you the house. Write quickly.

MRS. S. H. MOORE,
Rt. 1, Powell, Texas. (p)

WILL CUT FEED

I will cut with a row binder a limited acreage of feed for the public—will take feed in exchange or trade for cattle, hogs.

J. A. MORRIS,
Phone 9028FB1 (p)

Ninety Boys and Girls Enrolled In Home Economics Department

All classes in the Home Economic Department, three for girls and one for boys, are filled to capacity this year. Ninety of our boys and girls are now enrolled and many others are anxious for the courses if time and equipment only permitted.

The past week one class has been canning foods of all kinds which will later be used in meal service work. Two classes have begun work in personal grooming and clothing construction problems. The boys class has been considering problems in etiquette and personal relationships.

We are proud of our well equipped department and cordially invite friends to visit with us and see us in our work.

HOME ECONOMICS CLASS

FOR BOYS

This year, for the first time in the Hamlin High School, a course for boys is being offered in the Home Economics Department. The course for boys, as for girls, is not primarily for teaching them to cook and sew, but to help them live a more abundant life in their homes.

In the course, principles of etiquette and general conduct, personality development, human relationships, food and clothing selection and care, personal grooming and hygiene, first aid and care of the sick, household management and fundamentals of living are included.

Twenty-six of our finest junior and senior boys are enrolled in the class and many others have been anxious to enroll, but because of lack of room have been denied the privilege.

For the past five years Home Economics for boys has been growing in popularity. Tulsa, Oklahoma, and many other schools require one year for all boys who graduate. Many schools in Texas are now offering such a course. Last year, for the first time, boys contests were included in our annual State Homemaking Rally at Corpus Christi.

We are glad to have our curriculum enlarged to include this valuable course and are proud of the boys who are interested in Homemaking.

MISS FRANCIS ANNIS, Director.

"BUSINESS MAN'S VIEW"

In a recent statement written for the Richmond Times-Dispatch, J. Pinckney Harrison, wealthy vice-president of the Universal Leaf Tobacco Company of Richmond, spoke the views of many thoughtful business leaders. He wrote:

"Mr. Roosevelt has fought and continues to fight for the progressive elimination of unemployment, for the saving of thousands of homes from forced sales, for the preservation of maximum hours and minimum wages—for old-age pensions and unemployment insurance, regulation utility and power companies and other ideas of social justice.

"*** I honestly believe that if politically tomorrow Roosevelt and his entire administration were swept out of office this is a better and greater country by reason of his

policies and experiments. That the bitterest critic of him and his policies, today, consciously or unconsciously, has been made more cognizant of social justice than would have seemed possible only three years ago."

With Mr. Pinckney more and more business men are realizing that security for business in America depends upon such advance as the New Deal has provided between the extremes of radicalism on the one hand and reaction on the other."—Raleigh (N. C.) News & Observer.

MAYFIELDS AND COMPANY

AGES COUNT 375 YEARS

Last Sunday W. F. Mayfield and wife had some visitors and enjoyed a big time.

They counted years and here is the total:

Mrs. W. F. Mayfield.....69 years
Mr. W. F. Mayfield.....73 years
Mrs. R. I. Mayfield.....70 years
Mr. R. I. Mayfield.....80 years
Mrs. Laura Mixson.....83 years

Total 375 years
Mr. and Mrs. R. I. Mayfield were from Talpa, Texas and Mrs. Mixson from Waco.

A remarkable observation was made during the noon meal time. It was found that everyone of the family could eat the grains from boiled roasting ear cobs with their natural teeth.

The average of the five was 75 years.

B. M. Wells (Shorty) of Glade-water, came in Tuesday to look after his Hamlin property. Shorty is really shorter than in the years of long ago. He is 5 feet, 4.5 inches, and weighs 225 pounds.

Mrs. L. S. Magee was called to Chandler, Texas, last Friday by the death of her brother, J. L. Birdwell. She was accompanied by Mr. and Mrs. W. L. Fletcher Jr., and a daughter, Mrs. Carlton Parker. This was Mrs. Magee's only brother.

R. D. Legg, the meat cutter at the Safeway Store, had to go to the hospital in Abilene Monday for treatment. His place was filled by H. Z. Mathews, of Abilene.

Mr. and Mrs. E. J. Bessire of Kilgore, left Wednesday for their home after two weeks here with relatives.

Thank You . .

—Our opening was a grand success and we owe it all to our many friends who made it possible. The friendly interest manifested was far beyond our expectations and for which we are truly grateful.

We will ever strive to merit your good will and patronage.

—Make our Shoppe your home while in town.

RIGHT FOR ONCE

The West Texas Chamber of Commerce has sent out a circular letter to all West Texas newspapers and to all members of the Legislature setting forth the true situation, as they see it, as regards the enormous tax on property that is now prevailing. The West Texas Chamber of Commerce, for once is RIGHT, is advocating the establishment of a general sales tax. They say "why not now, when the state must have additional revenue, have a square and honest sales tax, stripped of subterfuge and evasion." They further say, and they are right, that "A gross receipts tax is merely an evasion, not supposed to be passed to the consumer, but which will be passed on to the consumer in a greater percentage than a definite sales tax." The West Texas Chamber of Commerce closes their argument by advocating that all citizens rally to the support of the sales tax, provided at least one-half of the tax be used to supplant the ad valorem taxes.

When you figure that the basis of the state is property and that it is only one-third of the combined values of the state, yet it pays 75 per cent of all the taxes of the state and its subdivisions. It only sounds reasonable that some other system of paying expenses must be found. When you figure that property taxes must support the State, the County, the School District and the City governments, and in quite a number of cases, a big proportion of the road bond tax, it is not surprising that it is only a short while till the property is "eaten up" with taxes, if said property does not furnish an income to meet current yearly demands. Some-

thing must be done.

No reasonable person wants to see taxes placed on anyone who is not able to bear them, but when you stop to figure how many persons go absolutely free from any property tax, and therefore almost 99 per cent free from all kinds of taxation, except it be on gasoline or cigarettes, then it is that the fair minded person comes to the support of some kind of tax that will reach everyone on an equal basis. The person with property or other means of income naturally has more money to spend and will use far more money and more expensive stuff, than the person of meager income or one depending on labor for his support. Therefore the amount of the sales would be up to to the individual as to how much he would contribute to taxes and support of the government, depending upon whether he wanted a \$2.00 or a \$5.00 hat, for example.

The recently adopted old age pension means help for the poorer class of the state, and it seems reasonable that every man, woman and child would be glad to help pay for old age assistance each time they enjoy results of certain kinds of purchases.

The Herald would like to say here, however, that there are some items, like actual foods, and prescribed medicines that should not bear a sales tax, according to our way of thinking. All other items of sale should bear a slight tax, provided this kind of tax relieves the property to the same extent that it is received by the state, county school district or city. Right here comes in a new kind of problem—suppose there should be a general sales tax that would practically eliminate the property tax, then somewhere there would have to be

a central body to determine the amount of money each such governmental divisions should or could use.

SPECIAL TO HAMLIN HERALD

DENTON, Sept. 23.—Meeting the requirements for a permanent teacher's certificate, Miss Doris Pope of Hamlin, senior student at Texas State College for Women, is practicing teaching in the Denton Public School System for the first semester of the 1935-36 session.

Sixty-two girls are taking this work as prescribed by the State Department of Education. Miss Pope, the daughter of Mr. and Mrs. Bowen Pope of Hamlin, is majoring in English.—T. S. C. W.—News Bureau.

G. A. SEYMOUR BURN- ED BY EXPLOSION

A very frightful affair happened at the Seymour farm northwest of Hamlin about two miles, late last Friday evening, when G. A. Seymour, who lives on his father's farm, was burned by an explosion of coal oil.

Information is that G. A. had been doctoring a sick horse and needed some warm water, and hastened into the house and tried to start a fire in the stove with oil, not realizing that there were hot ashes or embers. The explosion sent the oil over his body, and he was terribly burned.

The house and most of the contents were destroyed. Seymours was rushed to the Hamlin Hospital where all this week he has suffered, but it seems that he is going to pull through. His father, W. R. Seymour was summoned from the bedside of another son, at Prairie Valley.

Preston Phenix returned to the West Texas Baptist Hospital in Abilene Saturday for medical treatment, and will perhaps later, undergo a major operation. At present his condition is reported satisfactory.

R. W. McCurdy and wife of Ralls, were down to spend the past week-end with their parents, Mr. and Mrs. Roy H. McCurdy.

Mrs. Vrilla Miller of Abilene, visited her daughters Wednesday and Thursday.

LOCK YOUR DOORS OR HIDE YOUR PANTS

Robbers are in town, or at least they, or he or a bunch were here last Saturday night. Nearly every day somebody reported that their home had been entered Saturday night and something taken. It appears that "pants" are the favorite article wanted.

For example, in East Hamlin, banker Paul Cain laid his pants on a table near a window and up comes a man and opens the screen, takes Paul's breeches out and took 30 cents and a watch. His wife saw the fellow but was too scared to squeal.

A few minutes after the Cain house was entered, Mrs. Ira Clements saw a fellow trying to enter

their front screen door. She spoke up in the meeting, and Ira got busy with a 45. For a few seconds Ira had him treed behind a pillow of the gallery, and later took a crack at him as he hunted for the back fence.

Judge Harrington suffered the loss of two or three dollars that night and all of his tobacco. Several others were bothered also.

The best advice here is that doors should be well locked and then to make sure, hide the pants, and get your big gun ready. There may be plenty of this stuff this fall and winter.

FOR SALE

ALL COLLEGES SHOW INCREASE

There was a time when trainloads of Texas boys and girls left Texas every school term to enter in other states. Not so bad these days. Texas has students in colleges from nearly every other state and from many foreign countries.

Recent reports show all Texas Colleges and Universities increased in student enrollment. Enrollments were from 15 to 25 per cent greater this fall at major institutions.

The State College for Women at Denton became the largest women's college in the world, with 2,120 enrolled, as compared with 1,641 at this time last year.

The University of Texas, the largest in the southwest, had 784 more students register the first day than

at the opening enrollment last year. Baylor found students better off financially and enrollment 1,658 as compared with 1,580 on this date last September.

The largest student body in the history of Texas A. & M. College, totaling 3,240 signed up the first three days.

A. & M., devoted to agricultural and mechanical arts, draws heavily on the rural sections of the southwest and the financial status of many of its students has been aided by government AAA payments to farmers and stockmen.

At Houston, Rice Institute reported a 15 per cent increase in applications but enrollment will be about the same as last year—1,300—because Rice can accommodate no more.

T. C. U. at Fort Worth gained 20 per cent over 1934, when enrollment was 949.

Texas Technological college, serving the plains region of West Texas,

had 2,319 registered with the fourth day, as compared with 2,278 last fall. Hardin-Simmons university at Abilene, enrolled 649 students—about 100 more than last year.

Registration still going on at Southern Methodist university in Dallas, with indications there would be an appreciable increase in the student body.

TRECE SENORES CLUB

Mrs. W. E. Akers entertained the Trece Senores Club with a few extra guests, Tuesday afternoon, September 17, in the home of her mother, Mrs. J. J. Waggoner on Jackson Avenue.

Bowls of roses decorated rooms where three tables of contract were in play. High score for the club was won by Mrs. Grogan Turner and for the guests by Mrs. Oscar Maples.

A plate holding ice cream and cake with rosebuds as favors was passed to Mmes. Bill Rountree, Clinton Barrow, Herman McBride, Paul Cain, B. W. Nobles, Grogan Turner, F. D. Wells, Frank Williams, Fred Carpenter, M. T. Hudson, Oscar Maples and Roy Garner.

SHOWER FOR

MRS. TOM VAUGHAN

Misses Ruby Dean, Ruby Thompson and Ruby White were hostesses Wednesday night, September 18, at the home of Miss Ruby Thompson when Mrs. Tom Vaughan was presented with lovely gifts.

Miss Irene Thompson headed the receiving line in which Mrs. Frank Williams, Mrs. Tom Vaughan, Miss Louiema Williams and Ruby Dean stood. Miss Ruby White directed the guests to the lovely silver bride's book adorned with a bride dressed in lace and silk where Miss Ruby Thompson presided.

After the guests were seated Miss Ruby White acted as toastmistress and with a jingle presented each one on the following program:

"Toast to the Bride"—Kathryn Adkins; "Romance," Mary Boyd; "Song"—Irene Thompson; "Toast to the Girls Left Behind"—Lennie Greenway; "Those Wedding Bells Are Breaking Up That Old Gang of Mine" by an octette.

A circus wagon decorated in wedding bells was loaded with gifts for the bride and presented to her

by the circus clown.

The guest list included Mmes. Williams, Simpson, Littleton, Adams and Vaughan, and Misses Lennie Greenway, Joy Graham, Louiema Williams, Vincie and Nettie Bowen, Myrtle Cohorn, Elsie Wienke, Opal Cory, Edwina Gilbert, Pauline Young, Mary Boyd, Kathryn Adkins, Viva Milstead and Pearl Hudson.

—Contributed.

UTOPIAN CLUB RESUMES MEETING

Mrs. J. P. Morgan was hostess to the Utopian Club in her home on Union Avenue, for the first meeting of the autumn season.

Zinnias and other autumn flowers decorated rooms where three tables were appointed for bridge. High score for the club was made by Mrs. D. D. Harden and for the guests by Mrs. M. L. Kerlin.

A sandwich plate with grape punch was served to Mmes. J. E. Moody, J. F. Taylor, H. O. Cassle, W. R. Calhoun, F. B. Moore, J. T. Bynum, Turner Bynum, D. D. Harden, M. L. Kerlin, D. O. Sauls, P. A. Fowler and Miss Meddie Mae Bynum.

BLUE BONNET CLUB IN MEETING

Bowls of roses decked rooms in the home of Mrs. W. J. Poe, Wednesday afternoon when she entertained the Blue Bonnet Club. In the games of contract Mrs. R. Y. Barrow held high honors for the club and Mrs. Fred Carpenter for the guests. A salad plate with angel food cake and iced tea was served.

Those present were Mmes. Pat O'Donnell, F. D. Wells, Walter Cluney, R. Y. Barrow, D. J. Payne, H. L. Norris, J. C. Culbertson, George Bender, J. E. Bury, Fred Carpenter and Misses Allie and Pearl Whitley.

MERRY MATRONS WITH MRS. DAY

The first autumn meeting of the

Merry Matrons Club was held Wednesday afternoon with Mrs. John T. Day hostess in her home on Central Avenue.

Roses and other colorful flowers were placed in the rooms where guests spent the afternoon at bridge. High score was won by Mrs. Garland Tumlin. A salad plate with mince tart and iced tea was served.

Those playing were Mmes. R. H. McCurdy, C. C. Prater, Arhee Pardue, B. L. Jones, J. W. Ezell, J. B. Eakin, Bowen Pope, Bob Low, Garland Tumlin, W. F. Johnson, A. D. McLaughlin and Day.

MISS TEMPLE ENTERTAINED MERRY MAKERS

Miss Eleanor Temple was the delightful hostess for the first meeting of the Merry Makers Club. The club disbanded through the summer months.

The entertainment rooms were beautifully decorated with vases and baskets of cut flowers. After the three games of Eighty-Four, a salad plate with iced tea, cake and candied apples was served to the following guests: Messrs. and Mmes. Ira Clements, Gordon Bennett, Lowell Griffin, Bob Wiar, Tom Teague, J. E. Bury, Herman McBride and Dr. and Mrs. Joe McCreary.

Following the refreshments, a business meeting held at which time Mr. and Mrs. H. O. Cassle, and Mr. and Mrs. J. E. Bury were voted membership in the club.

—REPORTER.

ORDINANCE TO

REGULATE DOMINO PARLORS

AN ORDINANCE REGULATING PUBLIC DOMINO PARLORS, REQUIRING A LICENSE AND FIXING A FEE THEREFOR, AND FIXING A PENALTY FOR ITS VIOLATION.

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF HAMLIN, TEXAS

SECTION 1. DEFINITION. By the term "public domino parlor" as used herein, the same shall mean any place where dominoes are kept for the use of the public in playing games and for which a fee of any kind is charged, provided that any dominoes used in connection with any place of business where cigars or other things of value are sold shall be regarded as within the terms of this ordinance.

SECTION 2. Hereafter it shall be unlawful to operate or keep open any public domino parlor between the hours of eleven o'clock P. M. and six o'clock A. M., except on Saturday nights such places shall be closed from eleven-fifty (11:50) o'clock P. M. until six o'clock A. M. Monday morning following.

SECTION 3. It shall be unlawful to carry on the business of running a public domino parlor within the limits of the City of Hamlin, Texas, until a license as hereinafter provided shall have been granted for carrying on such place of business. The application for such license shall be in writing by the owner or manager of such domino parlor, and presented to the City Council at any regular meeting. The City Council shall refer all applications for domino parlor licenses to the Chief of Police, who shall investigate the application or cause same to be investigated to determine whether the domino parlor sought to be licensed complies with the regulation, ordinance and laws applicable thereto, as hereinafter set out. The said Chief of Police shall at the next regular meeting of the City Council furnish said City Council in writing, or orally the information derived from such investigation, accompanied by a recommendation as to whether a license shall be granted or refused. In the event the Chief of Police refuses or neglects to present his written or oral recommendation at the next regular meeting of the City Council as heretofore provided, then the City Council shall act on said application and issue such license if they deem same advisable. The City Council alone shall have the power to issue such licenses. Each license granted herein shall expire twelve months from date of issuance, and the license shall be posted in a conspicuous place within the domino parlor.

SECTION 4. The annual license fee shall be fifty (\$50.00) Dollars. This ordinance shall be printed in full upon each license issued and each license shall by its terms, be made subject to revocation as hereinafter provided.

SECTION 5. No license for a public domino parlor shall be issued by the City Council to the owner applying for such license, whose moral

character and reputation is bad. Said license shall not be transferable. The license of any domino parlor shall be forfeited or revoked by the City Council for disorderly, or immoral conduct on the premises, or for the violation of the rules, regulations, ordinances and laws governing or applying to public domino parlors, or public places. If at any time the license of a public domino parlor shall be forfeited or revoked, at least six months shall elapse before any license or privilege shall be granted the owner.

SECTION 6. The owner or lessee, or manager of any public domino parlor shall not permit any person under the age of eighteen years to enter such place of business or to remain there for any length of time without the consent of the parent of such minor, or some one standing in their place instead, or to permit any person under the age of eighteen years to play dominoes in such places of business without the consent of the parent of such minor, or some one standing in their place instead.

SECTION 7. Any person, persons, or club, or partnership who shall violate any of the provisions of this ordinance shall be deemed guilty of a misdemeanor, and shall upon conviction thereof be fined not less than ten (\$10.00) dollars nor more than one hundred (\$100.00) dollars, for each such offense.

SECTION 8. The fact that there is now no adequate provision or ordinance controlling public domino par-

lors makes it an imperative public necessity that this ordinance be in full force and effect from and after its passage and publication as required by law, and it is so done.

PASSED AND APPROVED, this 19th day of September, 1935.

JOE CULBERTSON,
Mayor.
ATTEST: J. B. EAKIN,
City Secretary.

WILL CUT FEED

I will cut with a row binder a limited acreage of feed for the public—will take feed in exchange or trade for cattle, hogs.

How Cardui Helps Women To Build Up

Cardui stimulates the appetite and improves digestion, helping women to get more strength from the food they eat. As nourishment is improved, strength is built up, certain functional pains go away and women praise Cardui for helping them back to good health. . . . Mrs. C. E. Ratliff, of Hinton, W. Va., writes: "After the birth of my last baby, I did not seem to get my strength back. I took Cardui again and was soon sound and well. I have given it to my daughters and recommend it to other ladies." . . . Thousands of women testify Cardui benefited them. If it does not benefit YOU, consult a physician.

A BRIGHT BOY

The story is going around about a football player in a small college who was unusually dumb. To the surprise of everyone he passed all of his work, including the rather stiff chemistry course, thereby being eligible for the big game.

One of the instructors asked the chemistry professors how it was possible that he passed chemistry. The chemistry professor said: "I decided that I would let him pass if he answered fifty per cent of the questions correctly."

"I asked him two questions—one he answered wrong, one he answered right. Therefore, I let him pass."

"The first question was—What color is blue vitriol? He answered, 'pink.' That time he was wrong."

"The other question was—How do you make sulphuric acid? He answered that he didn't know. That time he was right."

HERE IS A BARGAIN

Churches and Church Activities

METHODIST CHURCH

This next Sunday brings us to the close of another year in the Church School work. No one year shows a marked degree of advancement materially, or in numbers, unless it is an outstanding year in the history of a community. There has been some advances in organization and probably a slight increase in numbers but the real work to be done by this auxiliary of the church is to bring the individual to a conscious knowledge of their acceptance with God and to assist in building Christian Character. Should the church, in any of its functioning bodies, fail in the finished product of developing Christ like character it has failed in its prime object of existence.

The entire services Sunday A. M. will be given over to the Church School. 9:45 the regular class sessions will be held. 11:00 A. M. a program will be given by the various departments and close with the installation of the newly elected officers and teachers. You can best show your appreciation for the work of the year by being present for these services.

The Sunday services will be held at the usual hours. Leagues 7:15 and preaching service at 8:00; Missionary Society at 3:00 P. M. Monday and mid-week service Wednesday 7:30 P. M. We are rapidly coming to the close of the Conference year. We set a goal last year and reached it. We must pay all financial obligations in full this year so get in on the last lap of the race and let's rejoice together in another victorious year.

H. A. LONGINO, Pastor.

Mrs. Dan Stephens, who has been in the Hamlin Hospital for treatment for a heart ailment, was able to be returned to her home on Hope Avenue, Tuesday. Mrs. Stephens condition is reported to be improved.

PROMOTION DAY PROGRAM AT THE METHODIST CHURCH

The Methodist Church School will observe Promotion Day next Sunday, Sept. 29th at the eleven o'clock hour with the following program contributed by the various classes:

The Cradle Roll—Directed by Mrs. Bob Low, Mrs. O. R. Maples and Mrs. J. Otis Hopper.

CHILDREN'S DIVISION

and ADVENTURE

EATING the same foods all the time is as tiresome as taking the same walk every day—or reading the same book over and over. Some foods, however, seem to refuse to be boring. Tomatoes, for example. They're bright in color and their enticing taste lures you into new paths.

The Italians have found all sorts of adventurous uses for them, sauces that blend into exciting flavors; the French have put them into salads that are as simple as they are exquisite. Americans are doing more and more things that are adventurous with tomatoes. They are baking them with cheese or with mushrooms, making them in picturesque little casseroles, and combining them with other vegetables to which they lend piquant flavor.

Garden Grown and Canned

If you like to garden, set out some twenty little tomato plants and see how soon they will crop forth with sixty or seventy red tomatoes for your table. If you haven't time to raise them yourself, eat the choicest tomatoes possible to raise—those raised by the canner—in some such recipe as the following:

Tomato Timbales with Cheese Sauce: Combine the contents of one No. 2 can of tomatoes, one slice of onion, one-half bay leaf, three whole cloves, one-half teaspoon salt, one teaspoon sugar and a few grains of pepper. Cook gently for fifteen minutes and then press through a sieve. Add one-half cup of soft bread crumbs and two slightly-beaten eggs. Turn into buttered timbale cases or custard cups and set in a pan of hot water. Bake for thirty to forty minutes in an oven at 375 degrees, or until a knife, inserted, comes out clean. Turn out and pour over them a very rich cheese sauce. This serves four persons.

JUNIORS

The 1935 Junior class of the Hamlin High School had a class meeting September 24, 1935, and elected officials for the year:

President—Virginia Collins
V. President—Ray Humphreys
Secretary—Gilbert Freedman
Treasurer—Pat Allen
Reporter—Harrison Watson
The Queen—Beulah Lou Burns
Escort—Fred B. Moore
Room Mother—Mrs. John Howard.

The Juniors are going to have a swell time this year under Miss La Seuer. I think the Juniors will have just as good a year as the Seniors, although the Seniors do get first choice at everything but just the same, we will do just fine.

We hope this is the largest Junior class that Hamlin High has ever had and the best. "Watch," for the Juniors' report every week.

The more virtuous a man is, the more virtue he sees in others.—Scott.

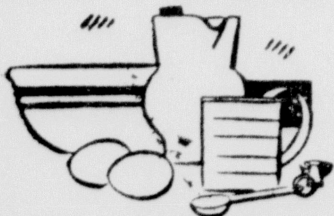

MODERNS LIKE PRUNES

BE up-to-date! If you belong to that generation which didn't like prunes—don't admit it. It labels you as a person who belongs to that by-gone era when in plays, in stories and in life cheap boarding houses always served badly cooked prunes. It was part of the scenery which went with the act—a bowl of under-cooked prunes.

Today people like prunes. And the reason is that canned fresh prunes bear no resemblance to the hard shriveled fruit of other times. They are bright plum-colored, juicy delectable fruits canned in a rich good syrupy juice.

For Delicious Desserts

Fresh Prune Soufflé: Beat four egg whites stiff and fold in four tablespoons sugar. Drain the fruit from one No. 3 can of fresh prunes, remove the stones and cut the pulp fine. Fold the pulp into the egg whites (reserving the prune syrup for beverages, sauces, etc.). Add one-half teaspoon almond extract, and pour into a buttered baking dish. Bake in a 350 degree oven for twenty minutes, or until it is firm and a delicate brown. Serve at once with a yellow custard sauce poured over it. This serves eight persons.

Scandinavian Prune Pudding: Remove the stones from the fruit in one No. 3 can of fresh prunes, cut the prunes in pieces and return to the syrup. Add one-third cup sugar, one-fourth teaspoon clove, and one-fourth teaspoon cinnamon. Mix one-third cup cornstarch with one-half cup orange juice. Add to the hot mixture, and cook in a double boiler, stirring constantly until the mixture is thick and smooth. Cool slightly, add one-half cup chopped nuts and fold in two stiff-beaten egg whites. Pour into wet molds and chill. Serve with whipped cream. This serves eight persons.

LET'S TALK ABOUT CLOTHES

Companionship with self is a prerequisite to companionship with others.

He is genuine who thinks as much of a poor relative as he does of a rich one.

Better possess a little money than a large credit.

The Italian and Ethiopian relations in the Old Country are having their influence upon Paris Styles, and it isn't hard to see the military idea prevalent in fall fashions. From hats to shoes, just a suggestion can be found of the raiment of the light brigade.

For instance, just look at the hats! You see cunning little three cornered affairs that dip in a point at a brimless back. They have "bills" topped with ribbon bows and other ornaments that can be cleverly cocked over the right eye.

Dresses and suits, always a "happy hunting ground" for the military-minded, are gaily trimmed with brass buttons and "colonel" braid. The broad shoulder is accentuated with buttons beginning at the shoulder and curving in down the front of the waist. Lapels have become more masculine in appearance and are bound with silk braid. Top coats have come into the limelight and are worn with blouses, skirts and short tailored coats. They are box-like in appearance with wide lapels and big patch pockets.

Shoes are built high up on the foot and are trimmed with large buckles and wide straps. The military heel is one of the most popular heights for general wear.

"Soldier brown," a rich chocolate color, is one of the newest shades for fall and winter. Combined with dress accessories of gold, this hue makes a smart costume for any occasion. Cannon grey is effectively combined with royal purple and deep red, but girls at Texas State College for Women (CIA) say that "tops" for the military idea shows this color combined with navy.

HOUSE FOR SALE

One good five room modern house. Good location. Good terms. monthly payments as low as five dollars per month. See CLAUD NEWSOM. (47-2p)

Laxative combination folks know is trustworthy

The confidence thousands of parents have in good, old reliable, powdered Theodor's Black-Draught has prompted them to get the new Syrup of Black-Draught for their children. The grown folks stick to the powdered Black-Draught; the youngsters probably will prefer it when they outgrow their childish love of sweets. Mrs. C. W. Adams, of Murray, Ky., writes: "I have used Theodor's Black-Draught (powder) about thirteen years, taking it for biliousness. Black-Draught acts well and I am always pleased with the results. I wanted a good, reliable laxative for my children. I have found Syrup of Black-Draught to be just that."

KILGORE COUPLE ENTERTAINED WITH PICNIC

On Sunday September 22, the Hamlin lake was a delightful picnic place for a small crowd, when Mr. and Mrs. E. J. Bessire of Kilgore, were complimented by relatives and friends.

The crowd met at 10:00 A. M. and went to the lake. The day was spent in a family get-together.

Lunch was served in picnic style, and refreshments during the afternoon. The afternoon was enjoyed with music and boat riding.

This delightful affair was given in honor of the young couple of Kilgore, who were married recently.

Mr. Bessire has a position with the Sun Oil Company of that place, and his bride is a young woman of Joplin, Mo. This being her first visit to Texas.

Those attending this pleasant occasion were:

Mr. and Mrs. E. J. Bessire, Kilgore, Texas, Mr. and Mrs. R. E. Bessire, Mr. and Mrs. Ernest Bessire, Mr. and Mrs. J. C. Bessire, Mr. and Mrs. Alton Bessire and families of Hamlin, and Mrs. Gordon Payne and children, Mr. and Mrs. B. L. Green and son, Mr. and Mrs. E. J. Perkins and children, Mrs. L. B. Holden, Wayne Palmer, Hugh, Stith, and J. Green, all of Hamlin.

Immediately following the picnic Mr. and Mrs. E. J. Bessire and Mr. and Mrs. J. Claude Bessire and little daughter, Kay Kraigolyne, left for Lamesa, to visit their father, E. J. Bessire, Sr.

SENIOR NEWS

Here's more news about the Seniors! They elected officers Monday morning. The president of this noted class is none other than Farrow Burns. You know, the handsome brunette. Then there is Willie Doby, the very blond Apollo, who is our vice president. Um-m, what a pair they make! For secretary, treasurer, the class elected the sweet faced (she gets mad when we call her "baby-face") Betty Myrle Routh. Then there is the reporter. Well, I can't say much for her as you can probably see by this report. Anyway, her name is Avalene Murphree.

In addition to electing officers, the class elected a Ring Committee, who will select samples of Senior Rings. This committee is composed of C. J. Adkins, Mary Beth Moody, Ann Ferguson, Doris Steed and John Howard. The class also selected Mrs. J. E. Moody as Class Mother.

As I was looking over the Juniors report last week (I don't make a practice of wasting my time that way), I noticed some very dirty remarks about the Senior Class. Well, that's all right, but "talk is cheap," my dears, and the Seniors intend to SHOW you what they can do!

And now, ladies and gentlemen, hold your breath until next week for more news about the Seniors.
